

Thank You Comments

This is a collection of comments I received in a thank you card from fellow students after participating in the large group project in LDRS 510 Creative and Collaborative Leadership.

“Thank you very much for all your work and help in the process of our project. You’re a great leader.”

“Thanks for being so supportive and such a great example of a good mentor.”

“Great job!”

“God bless you for your kindness, your lovely spirit and a great example of leadership that you demonstrated. Thank you!”

“You’re the best!!”

“Thank you for stepping up and helping lead our group. You are a treasure!”

“Thank you, Dianne, for all your hard work! It was great being able to observe and learn from you as you helped lead our group.”

“Thank you for being the glue in our group! Your positivity and enthusiasm are contagious!”

“Can’t put into words how thankful we are for all you have done for this team. I hope you know how gifted you are and how much we have benefitted from that.”

“It’s been such a blessing to work with you and be around you. You are very knowledgeable and I aspire to be like you when I finish.”

“I cannot imagine having done this project without you in our group. You were an absolute life-saver. It has been such a privilege getting to know you and learn from you in this class. Thank you for giving me the honor of leading alongside you!”
