

S.L.O.P. MASTER LIST

SHORT RANGE

- things we can do immediately without changing our look
- minimal impact on the budget
- primarily dealing with organization and procedures

Barry

organizing the procedures
stage leg clamps-screw type
rubber ends on stage legs
repairing bins
maintenance on tarp cart
repair chairs
straps on chair carts
weld handles on stage brackets

Tim

color coding cords

Barry and Tim

customizing 1 bin
reorganizing bins

Barry Tim and Oliver

maintenance list

Barry and Mal

training teams

Barry, Oliver and Mal

modify the large Grace sign

Mal

recruiting for teams

Oliver and Mal

clearing out container

Dianne

communication to musicians - stage clear except for monitors
organize stage skirts

Laura

repairing tarps
motorizing tarp cart

Dianne and Laura

location of storage container used for children's ministry
prep the classrooms – janitor
storage of the scissor lift

Kassandra

nursery staff to pull out toys
hiring high school boys for tear down

MEDIUM RANGE

- things that will take more investigation and research
- some impact on our budget but potentially could be absorbed in our current budget
- this might include some technical set-up in the gym; stage configuration, etc.

hanging projectors
motorizing curtain winch
motorizing basketball hoops
moving backlighting light fixtures
motors on bins
temporary fencing
rearranging the direction of our set-up
hanging speakers and cabling

LONG RANGE

- things that would involve coordination with Lu High
- adding more permanent fixtures in the gym
- would definitely need additional budget funds

motorize the bleachers
permanent 4 modular classrooms – early childhood
